3. Catch it record books must be completed and turned in to the Extension Office the Tuesday prior to fair.
4. All contestants must be enrolled in and have successfully completed one year in a Washington County 4-H club or FFA chapter.
5. An individual may participate in the sheep, goat or swine catch-it contests if he/she is an active 4-H or FFA member and between 9-18 years old as of Dec. 31, of the coming enrollment year. Chicken catch-it contestants must be between 9-12 years old as of Dec. 31, of the coming enrollment year.

7. Junior exhibitors desiring to enter a Catch-It Contest must submit a complete application and signed contract for the contest they wish to enter, with the necessary signatures, to the Extension Office by 4:00 p.m. Thursday of fair. The Catch-It Committee will conduct the application review and selection. Applications and contracts are available from the Extension Office.
8. The quota of contestants allowed to participate in each Catch-It Contest will be twice the number of sponsored animals to be caught. Upon holding the animal in one location properly haltered, it is declared an official catch. The contestant does not have to lead the animal out of the arena.
