

KIDS PEDAL TRACTOR PULL

Event Sponsored by:
Akron FFA Chapter

**Event Time:
Saturday 10:30 a.m.
(On the Midway)**

1. Participants must register in the midway by the event 30 minutes prior to the event starting time.
2. All pulls will begin from a tight hitch.
3. No "jerking" will be allowed.
4. When forward progress stops the pull is over. No pushing by hand or feet will be allowed. (No assistance by others will be allowed except to help the younger children start.)
5. In case of a tie, a pull-off will be held to determine the winner and second place for that class.
6. The first puller in each age bracket will be the test puller. If the sled must be re-weighted, the first puller will be given the option of pulling right away or waiting until later in the class.
7. The tractor and sled must remain in the boundaries of the pull. Crossing the boundaries will stop the pull.

Contestants or their parents should pick up their vouchers before leaving the pull area. Concessionaires and or the sponsors are not responsible for lost or misplaced winner vouchers. (You must have your voucher to participate in the State or the National Pull.)

Pulls will be by age group. Starting with age four and pulling through age twelve. Contestant must be the age of that class he or she will be pulling on the day of the pull. There will be separate divisions for boys and girls in each age group. The top two boys and the top two girls in each class will receive a voucher for the state pull. Every means possible should be taken to insure a safe, fun pull for the children as well as for the onlookers.
